

Silent Support Weekend

You've heard of Silent Support Weekend? Here's the full story for your club, with everything you need to support your teams playing this Silent Support Weekend.

What is Silent Support?

Silent Support helps create a more positive space for players, coaches and spectators. The idea is to cut down on unnecessary distraction from the sidelines.

When is Silent Support Weekend?

Silent Support Weekend is running 2-3 March 2024.

How does Silent Support work?

Instead of confusing shouts and rebukes from spectators, players are encouraged by their applause only. Rather than hearing lots of voices offering conflicting instructions, players might only hear the voice of their coach – or from no-one at all if that's the way you want to play it.

FAQs

What happens if we're playing a team that isn't doing Silent Support?

Please share this document and the link to the Code of Conduct with all spectators, encouraging them to support the experience.

What happens if spectators don't follow the Code of Conduct?

If they're not following the FA's Respect Code of Conduct, they may be asked to leave the venue, meet with the Club's Committee and/or Welfare Officer, or asked not to attend future games. There must be a RESPECT steward nominated from each team from U7-11. This is to ensure the Code of Conduct is applied appropriately.
